Welcome

Access Language Centre, Sydney is one of Sydney's most innovative and dynamic language centres. Founded in 1997, Access Language Centre, Sydney prides itself on offering quality programs designed to meet the varied needs of our students. Our course content and teaching methods are based on the latest theories in teaching English to speakers of other languages. A strong command of the English language is an invaluable tool in today's international climate. Whether your ambition is to improve your conversational skills, attain a certain level of proficiency, prepare for a particular examination, gain entry into a university or college, or gain work experience, you will find a program at Access Language Centre, Sydney to suit you.

At Access Language Centre, Sydney, our students are able to learn in a supportive environment nurtured by specialist staff, many of whom have also worked and lived abroad. Our students are reassured in the knowledge that at Access Language Centre, Sydney they will receive assistance with all aspects associated with studying in a foreign country, including accommodation, banking services, welfare and academic counselling, social and tourist activities, just to name a few.

Whether your stay with us is short or long term, our mission is to ensure your time in Sydney is a memorable one. Our priority is your success, your safety and your return home with great achievements. Students at Access Language Centre, Sydney come from over 30 countries worldwide, providing students with the opportunity to make new, often lifelong, friendships and the sharing of cultural diversity. It also brings us pride and pleasure that many of our students have been referred to us by their friends or relatives who previously studied at Access Language Centre, Sydney.

We look forward to welcoming you to Access Language Centre, Sydney and to Sydney, one of the most beautiful cities in the world.

Why study at Access Language Centre, Sydney?

Industry experience

Our extensive experience in the area of teaching English to speakers of other languages provides you with peace of mind that you are in the hands of specialists. With experience comes improvement and innovation, two of the most important factors behind our success over the years.

Perfect environment for success

Our priority is your success. In order to succeed you need a comfortable environment, friendly and supportive staff, personal attention, continuous challenge and stimulation in your studies and a dynamic atmosphere. It is our commitment to you to provide all this and more.

Convenient location

Access Language Centre, Sydney is ideally located in a modern building in the heart of Sydney; a few minutes walk from Sydney's Central Station and exciting city attractions, putting Sydney and all its wonders at your fingertips.

Cosmopolitan atmosphere

One of the most exciting aspects of a language course at Access Language Centre, Sydney is the wonderful cosmopolitan environment. Students from more than 32 different countries choose Access Language Centre, Sydney for their language course in Sydney each year. Many return home having formed valuable friendships with other students from countries worldwide.

Flexible study options

Access Language Centre, Sydney offers a range of Super Intensive and Intensive

English Language Programs at all levels from Beginner to Advanced. Courses vary from 4 to 52 weeks. Our timetable is especially designed to allow you to work while you study in your English course. For those who are interested in sight seeing, the early finish of classes (12:50pm) when studying in the intensive English Language Program, allows you to spend the whole afternoon relaxing and enjoying Sydney. Students interested in reaping the benefits of a Super Intensive English Language Program can take full advantage of our 25-hour face to face teaching program. Alternatively, students can also enjoy the Intensive English Language Program in the evening from 4:30pm to 8:55pm.

Variety of courses

Access Language Centre, Sydney prides itself on offering courses tailored to our students' needs. Whether you need English for social, business, academic or travel purposes, we will have the right course for you. Access Language Centre, Sydney can also offer you the benefits of our excellent associations with some of Australia's prestigious universities and business colleges through our direct entry program. Those of you interested in enhancing your career opportunities can also benefit from our excellent associations with some of Sydney's biggest companies. These organisations provide our students with training and support through our innovative internship program.

Professional teaching team

The key persons influencing your success in the program you choose will be your teachers. Our teachers are carefully selected

and are indeed our greatest asset. They are chosen not only for their friendly, supportive and motivating approach but also for their experience and specialist qualifications in teaching English. Many of our teachers also speak a foreign language and have lived in a foreign country. They are, therefore, more capable of understanding your needs as a language learner and the difficulties you may face living away from home. Our ongoing professional development program ensures all teachers stay up to date with the latest teaching techniques.

Small class sizes

In order to ensure that all our students receive the individual attention and care they need to achieve their goals, we are committed to small class sizes with an average of approximately 12 students.

Monthly tests and progress reports

We monitor our students' learning very closely by conducting monthly tests and providing students with regular reports on their progress.

Effective teaching methodology

Your teachers will spend some time with you at the beginning of each term finding out your goals and your individual needs, strengths and weaknesses. Each program is specifically designed according to the needs of the group of students in that program and their learning styles. At Access Language Centre, Sydney, we use a large variety of resources and a range of activities to ensure that your interest and motivation levels are consistently high. Our aim is for you to improve your proficiency and achieve your goals quickly and effectively.

Facilities

Access Language Centre, Sydney has its own campus and is located in a modern, heritage listed, newly refurbished building. Spread over three levels the premises features:

Classrooms

22 spacious, sunlit and air-conditioned classrooms fully equipped with audio visual resources.

Study Centre

The Study Centre offers computers equipped with internet Access Language Centre, Sydney and language learning software, books on various areas of interest, newspapers, journals and magazines.

Language Laboratory

The Language Laboratory allows you to improve your listening and pronunciation skills with the use of a great variety of kits that focus on every possible area of weakness.

Entertainment Areas

Lounge areas for relaxing between classes; and a student lunch area complete with kitchen, microwave and fridge facilities overlooking a large terrace for those of you who would like to enjoy the beautiful Sydney weather.

Student Services

Accommodation

Sydney offers a wide range of accommodation for students visiting Australia. Even within walking distance from Access Language Centre, Sydney there are many apartments, hotels, hostels and boarding houses. Staff at Access Language Centre, Sydney are happy to give advice about what best suits any student's needs.

Family Homestay

Access Language Centre, Sydney organises Family Homestay for students where they can get to know the Australian way of life by living in a household in Australia during the course of their studies. All homestays are carefully selected by the Centre so the students are in a relaxed and comfortable environment where they can practise the English they are learning on a daily basis.

Hotel or Hostel

We can also book you in one of our recommended hotels or student hostels to best meet your needs and budget.

Academic Counselling

This service is provided by specialist staff who will advise you on the most appropriate further study options to suit your goals. We will also assist you with your applications for university or college programs or for external examinations.

Welfare Counselling

Our staff will also provide you with support and advice on any matter relating to your welfare. Every question is important to us.

Airport Meeting Service

If you prefer to be met by a big welcoming smile, we are happy to arrange for someone to meet you at the airport and take you to your accommodation on your arrival to Sydney.

Social and Tourist Activities Program

We are confident that you will enjoy our exciting and affordable social program. The program offers a number of weekly activities ranging from full day tours on the weekend to fun activities after class. Whether you like to play soccer, billiards, enjoy long walks on our beaches or visit our beautiful Sydney attractions, it is all offered by Access Language Centre, Sydney for your pleasure.

Work Experience Programs and Services

Access Language Centre, Sydney is one of the oldest specialist providers of work experience programs in Sydney. With staff dedicated to matching our students with the most appropriate organisations for their work experience and supporting them every step of the way, you are guaranteed a high quality work experience in Sydney. A comprehensive orientation into living and working in Australia will also ensure that you are prepared and fully aware of work conditions and habits in Australia. At Access Language Centre, Sydney we offer a variety of work experience programs. One of the main aims of these programs is to provide you with the opportunity to improve your English outside the classroom. These programs are subject to special conditions and include:

Internship: Access Language Centre, Sydney organises unpaid internships in professional organisations in areas such as marketing, accounting, engineering, finance etc. On completion of an Access Language Centre, Sydney Internship program you will receive a reference from your employer documenting your achievements in the work placement. This proof of your success will be an invaluable addition to your CV.

Work & Study Program: Access Language Centre, Sydney offers assistance and support in finding paid work experience in non professional areas. The aim of the program is to provide you with the opportunity to improve your English after class and earn part of your living allowance while you are in Sydney.

Demi-Pair Program: This program offers our students accommodation and lodgement and a weekly pocket allowance in return for providing childcare and light housework assistance.

Volunteer Program: This program is perfect for students who are interested in contributing to an environmental project in Australia. It is a fantastic way to meet Australians and end your stay in Australia.

Discover Sydney

The Harbour City

Access Language Centre, Sydney is very centrally located in inner Sydney where you can find most popular tourist attractions. In the centre of the city there is the historic waterside Rocks area, the place where Sydney's earliest settlers lived. The area offers many restaurants, bars, cafes and shops containing Australian souvenirs. Beside the Rocks is Sydney Harbour Bridge - climb to the top and get a bird's eye view of the city, including Circular Quay where ferries leave for stops all round the harbour, and the stunning Opera House, Australia's most famous building. A short stroll from the Opera House are the Botanic Gardens and the Art Gallery of NSW - both well worth a visit.

Outdoor Lifestyle

Bondi, perhaps Sydney's best known beach with its white sand and sparkling blue waves, is only a 15 minute drive from Access Language Centre, Sydney. But there are also many other beautiful beaches to visit that are not far away from Access Language Centre, Sydney. To the north, Palm Beach and Whale Beach offer great swimming and surfing, as does Manly Beach which can be reached by taking an inexpensive scenic ferry ride from Circular Quay. South of Bondi are Bronte, Coogee and Cronulla Beaches - each with its own special character.

Time For Fun

Life isn't all outdoors in Sydney - there is also a very vibrant cultural scene, including regular art festivals that attract performers from all over the world. Staff at Access Language Centre, Sydney will give you all the information about what's on and where to go. Try to catch some traditional Australian Aboriginal dance performances and see Aboriginal art in the Art Gallery of NSW. During summer, there are many free concerts of opera and classical music held outside under the stars. For those who like the latest in music, from rock to techno and jazz, there are numerous night clubs with live bands. Many of these are in areas only minutes away from Access Language Centre, Sydney.

Courses

**25 hours
face to face
teaching!**

General English Communication

Do you need English for travel or to improve your social conversational skills? Did you learn a lot of grammar in your country but you feel you cannot speak?

If you answered yes to the above questions, then this is the perfect course for you. At the lower levels of this course, there is more emphasis on speaking and listening skills. Students learn survival and practical English. This includes the language for shopping, banking, finding accommodation or a job and more. At the higher levels, there is more focus on idioms and slang in social conversations. Students learn to take part in discussions of complicated topics. They also learn to understand news, comedies and soap operas, as there is heavy use of media at these levels. This course is offered at six levels from Beginner to Advanced. The course length is 4 to 52 weeks.

Academic English

Do you plan to study at a business college, TAFE or University in Australia or in any other English speaking country? This course is especially designed to prepare students for study at tertiary level. There is more emphasis in this course on reading and writing. There is also focus on understanding the complex English grammar at sentence, paragraph and long text levels. You will be able to read and write complex texts, understand long lectures and talks, participate in discussions and give academic presentations.

This course is offered at four levels from Pre-Intermediate to Advanced. The course length is 12 to 48 weeks. The Access Language Centre, Sydney's Academic English Course is also a **DIRECT ENTRY PROGRAM** into many of Australia's leading universities and vocational education colleges. Students who successfully graduate from Access Language Centre, Sydney's Academic English program will be accepted by these institutions without having to provide results of English examinations such as IELTS or TOEFL. This is provided students meet the academic requirements of these institutions and is subject to vacancies and the availability of programs at these institutions. The Academic English Course is the perfect course to prepare you for academic success.

Business English

Do you need to use English at work? These days good English proficiency will get you the job or help you to get that promotion for which you have been working hard. Business English is a very special course which is useful for any job. In this course you will learn to read and write for work. You will also learn the conventions of taking part in meetings, negotiations and social conversations at work. You will develop business reading and writing skills. However, the most interesting part of this course is that you will learn how work cultures and conditions are different from one English speaking country to another. The Business English course is offered from Intermediate level.

Program Structure and Pathways

All courses are offered within the following three programs: Super Intensive English Language Program (25 hours per week, consisting of Main Program and Elective class Options), Intensive English Language Program (20 hours per week, Main Program or Evening Program) and Mini-intensive English Language Program (15 hours per week, as part of the Main Program. Available to Tourist and Working Holiday Visa holders).

Level	Main Program* (8:30am to 12:50pm)	Elective class Options (1:30pm to 2:30pm)	Independent Learning (2:30pm to 3:30pm)	Evening Program** (4:30pm to 8:55pm)

* Includes 20 min break

** Includes 25 min break

All courses are offered subject to student numbers.

Examination Preparation Programs

Cambridge First Certificate in English Preparation Course

This is a fantastic course for those who want serious preparation for success in the FCE exam. Entry level is Upper-Intermediate and the course length is 12 weeks.

Cambridge Certificate of Advanced English Preparation Course

If you are an advanced level student but need to fine tune your English, this is the course for you. This rigorous course will provide you with plenty of opportunities to practise and prepare for the CAE. Entry level is Advanced and the course length is 12 weeks.

IELTS Preparation Course

Most universities and colleges in Sydney will require an IELTS score to accept students in their institutions. This course prepares you to achieve the score you need. The course is twelve weeks and is offered at Intermediate to Advanced levels.

Electives

Super Intensive students are able to choose from a variety of electives at Access Language Centre, Sydney depending on their English level and the availability of programs. The electives we offer are:

Conversation: This course is excellent for students who are too shy or afraid to speak. It is designed to build your confidence and encourage you to speak in a natural way.

Pronunciation: This is a great course for students who have problems understanding native speakers. The course is also good for improving your pronunciation and accent. You will learn the rules of English pronunciation and the differences between Australian, British and American accents.

Grammar in Context: This is a course which is especially useful to students needing to improve their accuracy and knowledge of the grammatical rules of the English language. It is a favourite with students who are very fluent but make mistakes when they speak.

TOEIC Preparation: This course is also offered as an elective for one hour every day. As this course focuses on business English, students like to combine it with their General English course to receive the benefits of both.

Current Affairs: This is a very popular course with advanced students. Using a large variety of media items, students are constantly learning everyday language which comes directly from TV, radio and newspapers.

Writing Skills: Writing skills are the most difficult to master when learning a foreign language. This elective provides students with intensive practice and the skills and strategies for mastering their writing. This course is also a favourite with those interested in improving their accuracy.

Cambridge Grammar Course: This elective provides students preparing for the Cambridge FCE and CAE examinations with intensive practice in the usage of grammar in the English language.

Further Study

Do you plan to study at a business college, TAFE or University in Australia or in any other English speaking country?

Our IELTS Preparation and Academic English courses are especially designed to prepare students for study at a tertiary level. There is more emphasis in these courses on reading and writing. There is also focus on understanding the complex English grammar at sentence, paragraph and long text levels. Students are trained to be able to read and write complex texts, understand long lectures and talks, participate in discussions and give academic presentations.

IELTS Preparation courses are offered at three levels from Intermediate to Advanced. The course length is 12 to 36 weeks.

Academic English courses are offered at four levels from Pre-intermediate to Advanced. The course length is 12 to 48 weeks.

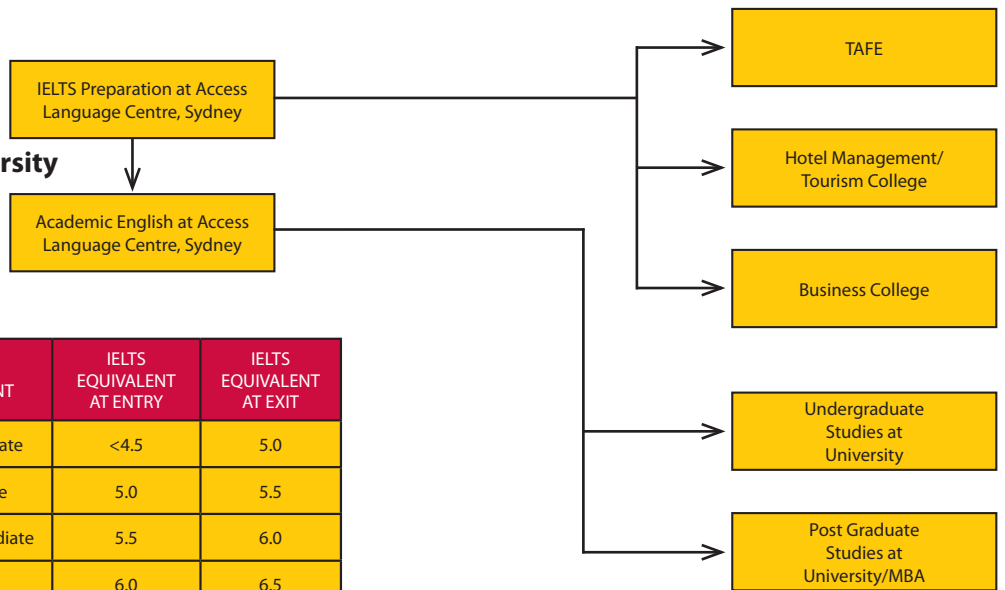

Academic English is also a **DIRECT ENTRY PROGRAM** into Vocational Colleges and Universities in Australia. Students who graduate from Access Language Centre, Sydney will be accepted by partner institutions without having to provide results of English examinations such as IELTS or TOEFL. This is provided students meet the academic requirements of these institutions and is subject to vacancies and the availability of programs at these institutions.

Both the IELTS Preparation Course and the Academic English Course are perfect to prepare you for academic success.

All programs at Access Language Centre, Sydney utilise a variety of teaching and learning resources and materials which are provided to students at a fee. Students' progress is assessed on a monthly basis using tests designed by the teaching staff.

All courses are offered subject to student numbers.

International Association of Language Centres (IALC)

Access Language Centre, Sydney is an associate member of the International Association of Language Centres (IALC). Founded in 1983, the International Association of Language Centres is a network of 92 language schools in 22 countries around the world. Each is privately owned and independent of any large group or chain. IALC's reputation, developed over two successful decades, rests on:

Quality

Every IALC school has operated for at least three years and is a legally constituted, professional language teaching institution. Each meets the association's high quality standards and has national accreditation where a national scheme exists. IALC members underline their commitment to quality through their affiliation to IALC and their membership of other professional associations.

Service

IALC schools are adaptable, flexible and strongly oriented towards student service. The school owners and directors remain Access Language Centre, Sydneyable and close to the heart of their schools.

Choice

Study programs at IALC schools range from general language courses and study holidays to work experience and executive training. They appeal to all types of student: adult, junior, undergraduate, postgraduate, professional, retired, individual and group. The accommodation choice is also wide and reflects the local way of living. Social and cultural activities outside the classroom complete the language learning experience at every IALC school.

IALC: <http://www.ialc.org>

WYSE Confederation

The World Youth Student & Educational (WYSE) Travel

Confederation was founded in 2006 with the merger of the Federation of International Youth Travel Organisations (FIYTO) and the International Student Travel Confederation (ISTC). The Confederation's mission is "to increase international understanding through the promotion of travel and educational opportunities for students and youth". Members of the Confederation work through specialist sector associations to provide a range of valuable services and products for young travellers around the globe including Student Identity Cards, Language Travel Experiences, Work Exchange and Au Pair Experiences, Student Flights, Youth Accommodation and Travel Insurance.

WYSE: <http://www.aboutwysetc.org/>

English Australia

English Australia is the professional association for quality English language colleges in Australia.

English Australia has strict membership criteria. The English Australia logo represents a guarantee of quality. Over 75% of international students studying English in Australia study at an English Australia member college.
